why the Amildar's decision
should not be confirmed.
If, after such a hearing

2. The Theologian of the Jaii
village in question brought a
claim for the timber due to him
from the petitioner, which is
now in the Jaii village. The
Commissioner upon enquiry found
that the timber was due and
ordered that it should be paid.

Rejoin that the petitioner objects to this Affidavit. See Section 4 of the Insurance Rules, which reads:

(Code of Laws Certified that it ceased due (vide your Memo No 8606 Oct 7. 61-93 of the 25th Inst.) 1893). On the Commissioners finding as the facts were clear and I agreed with it I went to Pine to carry out the orders of Government by serving the notice from the Petitioner. Against this I now appeal to Government, saying that I had no enquiry subsequent to the receiving of the Government order referred to. — I beg to state that I never received to hold any Enquiry now this Civil Government order requires me to do so. — I Respectfully submit that I have been by the Commissioner

and

Petitioner's decision given in favor against the petitioner, and the appeal the decision had been reversed in favor of the petitioner on a point of law, but the appeal against the Government against the petitioner and the appeal reversed in favor of the petitioner on a point of fact. Therefore the Commissioner's finding of fact was agreed to by me and the law of the matter from the petitioner's record, in accordance with the decision of Government. These are the facts of the case.

3. The conclusions of the Court under reply are hereunto returned. —
